CHURCH DANCE MINISTRY

Dance...in the church!

As dance ministries and liturgical dance groups pop up throughout the world, misunderstandings arise from a lack of biblical knowledge. In *Guidelines to Starting and Maintaining a Church Dance Ministry*, Dr. Denita Hedgeman educates ministries and leaders on the biblical foundations of dance ministry development to enhance worship, and helps established dance ministries find new life and inspiration. Not only addressing the practical application of dance ministries, Dr. Hedgeman gets to the heart of the matter, *Is dance fully accepted in the church today?* providing readers with a functional, scripturally-based guide to worshipping God through the art of dance.

"Thorough, valuable information, necessary for any serious minister of dance. It is obvious Dr. Denita poured her heart and soul into this book to equip the body of Christ and to advance the Kingdom of God. This book is a must for every dancer's library!"

Dr. Pamela Hardy
National Coordinator for Christian Dance Fellowship

"Dr. Denita Hedgeman is a pioneer on how to develop the art of dance ministry. The biblical study on dance is fundamental. A must read for beginning and mature art ministries."
